Mission Statement

The Sportsmen's Club of Fort Worth is a non-profit 501(c)(3) organization which devotes its resources to outdoor and wildlife charitable and educational activities with an emphasis on serving area youth and youth organizations.

The purpose of the Club is to:

- **Encourage conservation of wildlife, good sportsmanship, safety in hunting, fishing and related activities, and**
- **Encourage and develop in youth an appreciation and enjoyment of wildlife and the outdoors, including supporting youth involvement in hunting, fishing, wildlife conservation and related activities.**

The Club relies exclusively on donations from private businesses and individuals and on the net proceeds from the Club's annual fund-raising banquet. Although the Club does receive (and gladly accepts) cash donations, the majority of the donations that the Club receives are in the form of gifts that are sold at the Club's fundraising banquet in a live or silent auction or raffled.
