

THE HARRY TENNISON SCHOLARSHIP FUND

The Fort Worth Sportsmen's and Conservation Club, Inc. (the "Club") will award scholarships to current college students and graduating secondary school seniors who (a) reside in Fort Worth, Texas or the surrounding metropolitan area, and (b) attend or plan to attend a post-secondary college, university or other institution located in the State of Texas. These scholarships are for the purpose of providing financial assistance to the recipients, and they are restricted in that **the recipients must emphasize outdoor and/or wildlife management, conservation, research and/or education in their studies.**

The Scholarship Committee will consider demonstrated financial need, leadership potential, initiative, strong educational goals, contributions to community, participation in extra-curricular activities, recommendations of teachers, administrators and guidance counselors. The awards will not be restricted or limited based upon age, sex, race, creed, national origin or religion.

The Club's scholarship application form must be completed and submitted in full, together with all required attachments, in order for the applicant to receive consideration.

The recipient must provide the Club with a transcript from the educational institution to confirm good academic standing and continuation of the course of study. If a recipient of such grant does not remain in good academic standing or is no longer enrolled in his/her course of study, the award will terminate.

All recipients must access the awarded funds within six months of the time they are awarded.

The Club targets the award of grants on or about the end of July prior to the beginning of the school year for which the application is submitted. It is anticipated that grants will be for amounts between \$500 and \$5,000.
